

NGS ENDURANCE COMMITMENT FORM
2015 MARINE CORPS MARATHON
OCTOBER 25, 2015

Thank you for your interest in NGSendurance “Running to Educate the Children of American Heroes”

No Greater Sacrifice (NGS) is dedicated to the 51,441 children of our nation's fallen and wounded Service members by delivering scholarships and resources to improve their quality of life through the pursuit of higher education. We hope you will join Team NGSendurance in this endeavor to help educate the children of American heroes.

As a team member, you will receive a race bib and all of the official race gear of the Marine Corp Marathon (MCM), as well as a NGSendurance race shirt, water bottle, cinch sacks, and other items. Also, you will be provided a secure online fundraising page, along with advice and ideas to help you exceed your fundraising commitment. Finally, as a NGSendurance Team member, you will have access to NGS socials, training plans, and training runs. BUT, most important you will be investing in Freedom's Future and making a positive impact on the military children and families NGS serves.

NGSendurance Team members commit to a \$500 fundraising minimum. Please secure your place on the team with a MasterCard, Visa, or American Express credit card number. Your card number will be placed in a confidential file. You have until November 15, 2015, to reach your fundraising commitment. If you have not reached your fundraising minimum at that time, the balance due will be charged to your credit card. Please understand that we need the assurance of these funds for our program costs. If you have any questions, email endurance@nogreatersacrifice.org. We are here to support you in reaching your fundraising and training goals!

PLEASE NOTE: Training for a race is strenuous and injuries are a possibility. This is a risk that you take when you sign up for the race, and please note that NGS is not responsible for injuries during training or the race. Your commitment is to NGS's mission, not just the race. Bibs are provided on a first come, first serve basis. If NGS is not able to provide a bib to you due to unforeseen circumstances out of NGS's control, you will be notified. If you drop from the program for any reason before September 1, 2015, you are still responsible for the overhead cost of \$150. If you drop from the program on or after September 1, 2015, you remain responsible for the entirety of your \$500 fundraising minimum.
