**NEW YORK LIBERTY AWARD DINNER**

# OUR MISSION

Honoring the sacrifices of our Service members by investing in their children's capacity for greatness through education.

NGS is dedicated to children of our nation's fallen and wounded Service members by delivering scholarships and resources to improve their quality of life through the pursuit of higher education.

**92%** of donations are directed toward our mission, and we have committed more than \$7 million in post high-school education benefits. 85 children of fallen and severely wounded Service members have received fully funded four-year college scholarships and mentorship.

We believe it is the least that can be done to support the sacrifices made by these families and their children.
